NEXT STEPS

- If you disagree with USAC's decision, review the attached pdf to determine how to appeal.
- If the FCC Form 486 has not already been submitted, use the information in this notification to file one in EPC now.
- Work with your service providers to determine who will be invoicing USAC. If you have paid in full for services already delivered and are seeking reimbursement, make sure that you have an FCC Form 498 on file, and then submit your FCC Form 472 (BEAR).

Remember the deadlines for delivery and installation of your services. Your deadlines are listed in column AC of the attached spreadsheet. USAC will not approve an invoice when services are delivered after this date. A request to extend the service delivery deadline is only available in certain circumstances.
